This exhibition welcomes key industry players, including furniture and completion part manufacturers, suppliers, wholesalers & retailers of Finishing and Fittings, Kitchen & Bathroom Accessories, Home & Office Automation Products, Exotic Pieces, Decorative and Composites, Wall coverings, Laminator, Decotex, Interior design agencies and salons as well as floral interior and industrial designers along with the solution providers for this industry.

India interior exhibition is industry specialized, stylish, and widely respected, offering a wealth of sales and branding opportunities for international companies. The event is an ideal platform for market specialists, architects, and interior designers, giving them an opportunity to find out the latest industry developments, assess competition and network with leading manufacturers and distributors.

Industry Overview

The Interior's industry is booming in India. Formerly seen as an extension of architecture, the growth, and awareness has accelerated the demand for custom-designed decor and furnishings. This extends from residential design to other sectors, such as public offices and retail centres. India is faced with the challenge of introducing new interior design options that will facilitate an increase in the number of professional designers in the country, and also be instrumental in setting guidelines for practicing environmentally and socially responsible design.
